

The Mariano A. Elia Chair In Italian-Canadian Studies

THE MARIANO A. ELIA RESEARCH FUND

Annual Deadline(s): 1 March and 1 November

General Description

The Mariano A. Elia Chair in Italian-Canadian Studies at York University was established in 1984 with equal contributions from private and public sources to promote research, teaching and community education on the Italian-Canadian experience. The Elia Chair provides a modest fund from its annual budget to meet research and travel needs of York faculty and graduate students engaged in activities related to Italian-Canadian studies. This fund is administered by a subcommittee of the Elia Chair in conjunction with the Office of Research Services.

The Elia Research Fund supports small-scale research projects with specific needs and helps defray the cost of travel where a significant contribution to Italian-Canadian studies will be made and the prestige of the university enhanced. Limited resources do not allow support for major projects. Normally, awards are less than \$8000 and only one grant per year will be awarded to a candidate.

Activities Eligible for Support

Research in any discipline (or of an interdisciplinary nature) related to Italian-Canadian studies is eligible for funding. Priority will be given to small-scale research projects, or specific investigations within larger efforts, which would not be conducted or brought to completion without Elia Chair funding.

Travel expenses to enable faculty and graduate students to meet clearly defined research objectives are eligible for support, particularly where alternate sources are not readily available. Because funds are limited, applicants are encouraged to seek other sources of travel support in cases where Elia Chair research funding is also being sought.

Travel to conferences will be funded in cases where a scholarly paper will be presented. Accommodation expenses will not normally be considered.

Deadlines

There are two deadlines for applications; 1 March and 1 November. If the deadline date falls on a Saturday, Sunday, or statutory holiday; applications will be accepted on the next working day. Applications received after the deadline will be sent for evaluation marked late.

A report on the project and money spent must be provided to the Chair within 90 days of the end of the project.

Mariano A. Elia Chair in Italian-Canadian Studies Research Fund Application:

The application must include:

- a) A signed and completed ORS checklist
- b) A completed contact information page (page 2 of this document)
